

REMARKS/ARGUMENTS

Entry of this Amendment After Allowance Under 37 C.F.R. §1.312 is respectfully requested since it does not add any new matter or require further consideration and/or search.

The amendment to Claim 5 was made to provide proper antecedence for the “electromagnetic coil” in the claim. The amendment to Claim 20 was made to provide proper antecedence in the claim for the “stationary element mounting portion” and the “rotary element mounting portion.”

These informalities were discovered by applicant’s attorney during a post-allowance review of the claims and applicant’s attorney has been diligent in correcting any informalities that he has become aware of.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, L.L.P.
